

Adopt-a-Family

Help us at Catholic Charities Housing Office to bring some of the spirit of Christmas to the 23 formerly homeless families in our Family Apartment Program.

By adopting an individual family member or family you can share the blessings of the season with those in need—and bring a smile of joy to the face of a child!

With your help, Santa will deliver a gift to each of our 47 children and 25 adults this season!

Option 1: Gift cards for Wal-Mart and Target provide parents the ability to shop for their children's specific wishes and are very welcome—\$25 increments are best.

Option 2: Sponsorship of gifts from families' wish lists, which include clothing (sizes provided), learning toys, personal care items, bedding, basketballs, footballs, books, pot & pans, and dishes are also greatly appreciated! Wish lists are provided.

CCHO is still seeking sponsorship for 8 families. If you or your group would like to adopt, please contact Saretha Sotomayer at 462-6829, ext: 13 or saretha.sotomayer@cchoalbany.org for more info!
